50. Memoriams

In Memory of Charles Booker, who Passed Away 5 Years Ago on February 14th.
To see your face,
To watch your smile,
To sit with you and talk a while.
To be together the same old way.
Would be my greatest wish today.
We cannot, Lord thy purpose see.
But all is well that's done by Thee.
Our loss was great.
We will not complain.
But trust in God to meet again.
Sadly missed by children and grandchildren
50/2-10-1tc

In Memory of My Son, Thurman E. Jones, who Passed Away February 6, 1982.
They said that time heals all sorrow
For some that may be true
But there are not enough
days in a lifetime to let us forget about you.
Sadly missed by mother, sister, and family.
50/2-10-1tc

In memory of Rhonda Kay Eagle, who died Feb. 9, 1981.
As we think of you today
We remember your sweet and loving way
And time has not erased the memories of your smiling face.
And even tho will never understand
why you had to go away
We know somewhere in Heaven
lives our dear Rhonda Kay.
Love,
Joan

FmHA program noted

Farmers Home Administration (FmHA) State Director Roie M. Godsey is directing FmHA district directors and county supervisors throughout the state to encourage Virginia Farmers to seriously consider participating in the new Payment-in-Kind (PIK) or "crop swap" program.
State Director Godsey, who just returned from a Department of Agriculture briefing in Washington, said he is "thoroughly convinced that the PIK program can go a long way toward solving surplus grain problems and easing the cost-price squeeze, while at the same-time, holding down federal spending."
The meeting in Washington, Godsey said, was called by Secretary of Agriculture John R. Block. In included comments by the Secretary and detailed briefings by Agriculture Stabilization and Conservation Service (ASCS) Administrator Everette Rank and FmHA Administrator Charles W. Shuman, among others.
ASCS Executive Directors including Mahon Rudy Executive Director, Virginia and ASCS committee members from around the country also attended the meeting.
"There is no doubt in my min," Godsey said, "that this innovative PIK program can be of great benefit to Virginia farmers. It can help reduce the need for operating capital, reduce interest costs, and hold production to a more realistic level this year and if necessary, next year. It can help relieve cash flow problems for many farmers and in the long run improve the general agricultural economy."
"I sincerely hope that every farmer will study the details of the new program with an open mind and determine its benefits before the end of the sign-up period, March 11," Godsey said.

For FHA/HERO

A special week

The second week in February is a special week for members of the Appomattox Senior FHA/HERO week.
Chapter projects inter-related with the home economics program provide meaning and motivation for youth, reaching beyond the home economics classroom into the home and community.
During the week, according to Sharon Davis, chapter president, the Appomattox Senior FHA chapter has planned the following activities: Sunday - family project; Monday - donuts for faculty; Tuesday - radio announcements, serve refreshments to class; Wednesday - go out to eat at Pizza Hut as a group; Thursday - newspaper article; Friday - Red and White sucker day; and Saturday - special home project.
Virginia's Association was chartered in 1945. There are two types of chapters. FHA Chapters place major emphasis on consumer education, homemaking and family living education, combined with exploraiton of jobs and careers. The HERO chapters for students in Home Related Occupations place major emphasis on preparation for jobs and careers, with recognition that workers also fill multiple roles as homemakers and community leaders.
Future Homemakers of America is sponsored in Virginia by the State Department of Education and local school divisions. Home economics teachers and members of the State Home Economics education staff serve as advisers to chapter, state, and national youth officers, giving guidance and counseling to the program.
Officers for the ACHS chapter are: Sharon Davis, President; Tina Reynolds, Darlene Smith, Regina Watkins, Vice-Presidents; Karen Fitzgerald, Secretary; Tammy Smith, Treasurer; JoAnn Ferguson, Historian; Ada Hunter, Reporter; Betsy Wingfield, Chaplain; Angel Goode, Recreation Leader; Bernadine Garrett, Parliamentarian. Mrs. Betty Jo Smith is chapter advisor and home economics teacher at ACHS.

AMS News

The third week in January, the seventh and eighth grade 4-H clubs of AMS met during fifth period on Tuesday and Thursday. The report of the seventh grade meeting was submitted by Byron Patterson, president of the seventh grade 4-H.
The meeting was called to order by the president, Byron Patterson. The 4-H pledge was led by Karen Lewis and the American pledge was led by L.C. Mayberry. The recreation leaders led the members in the game Seven-Up. The minutes of the last meeting were omitted. Under old business, Mr. Sweet passed out information about public speaking. The date for the AMS contest is Feb. 9, 1983. Share-The-Fun certificates were dispursed. Strawberries were discussed and order forms were passed out. Mr. Sweet spoke about unavailable project books and he explained that presentations will be held in March this year, with the county presentation on March 26, 1983.
The main business of the meeting was Interstate Exchange. Slides from last year were shown and we were urged to think about participating in the program.
The time passed too quickly. The bell rang before we were able to see all the slides.
Studying Careers In 8th Grade English
The eighth grade English classes have been studying careers for the last three weeks. In this unit, students explore many job opportunities which may have been overlooked. Eighth grade students were urged to get social security numbers cards, and they even learned about undergoing a job interview. Parents participated by undergoing interviews conducted by students. Through these interviews, students learned about their parents- or adults with jobs - and jobs in the real world. There is a great deal to be learned in the study of careers, and many English skills are utilized in this study.
The middle school students will begin registering for classes beginning Feb. 10. Parent participation in this would be greatly appreciated.

AMS Menu

Middle School Menu
Thurs., Feb. 10 - Spaghetti, apple sauce, green beans, hot roll, milk.
Fri., Feb. 11 - Batter dipped fish, macaroni & cheese, lima beans, fruit, hot roll, milk.
Mon., Feb. 14 - Hamburger on bun, french fries, buttered corn, frosted cake, milk.
Tues., Feb. 15 - Sausage pattie, string beans and potatoes, apple sauce, hot roll, milk.
Wed., Feb. 16 - Fried chicken, whipped potatoes, green peas, hot roll, milk.

The Raider Review

By JENNIFER INGE

As St. Valentine's Day nears, people start to think about sending valentines to their sweethearts, friends, and family members. Many valentine cards contain verses with tender thoughts or humorous sayings, but almost all ask, "Be My Valentine".
Valentine's Day comes on the feast day of two different Christian martyrs named Valentine, however the custom has nothing to do with the lives of the saints. They probably come from an ancient Roman festival called Lupercalia which took place every February 15. The festival honored Juno, the Roman goddess of woman and marriage, and Pan, the god of nature. And very likely it was the time of year, when birds are nesting and a new hope springing, that brought the choosing of what came to be called ones "valentine".
Many beliefs and customs have been born with Valentine's Day. One of the oldest beliefs said that birds choose their mates on Feb. 14. The idea has never died that the first person seen on Valentine's Day will be one's valentine. Another unusual custom was to get up before the sun on Valentine's Day and try to snare an owl and two sparrows. It is hard to believe that anyone ever caught these birds; but if they did, it meant good luck for the rest of the year.
Most Valentine's Day customs were concerned with romance or the choice of a mate. Single girls had many ways of learning the identity of their future husbands, such as writing their boy friend's names on bits of paper. They rolled each name in a little piece of clay and dropped the clay into water. The first scrap of paper to rise to the top was supposed to contain the name of their true valentine. Another custom was to take five bay leaves and to pin one leaf to the center of the pillow and one to each corner. It was believed that the girl would dream about her future husband if the charm worked.
Most Valentine's Day beliefs and customs are outdated, and there is a return to what is thought as the typical valentine decorated with lace, fat cupids, arrows, and bleeding hearts. In the United States, Valentine's Day became popular in the 1800's. A writer in a magazine of 1863 wrote, "Indeed with the exception of Christmas, there is no festival throughout the world which is invested with half the interest belonging to this cherished anniversary".
